

Departure Form

If you do not complete this form prior to departure, RVshare reserves the right to reject reimbursement requests made against the renter's Security Deposit.

Prior to the arrival of your renters, you must have your RV completely ready to go. Make sure that you have completed all applicable tasks on the Pre-Arrival Checklist.

Step 1 - Damage Walkthrough

The purpose of this walkthrough is to set an agreed upon baseline for the condition of the RV with the renter. This helps prevent disputes should damage occur.

You must do a comprehensive review of the condition of the entire interior and exterior, which includes the undercarriage and roof, of the RV. Point out any and all pre-existing damage to the renters and write it down in the appropriate places.
